Purchasers' Statutory Rights

Securities legislation in some provinces and territories gives you the right to withdraw (the "Withdrawal Right") from an agreement to buy mutual funds within two Business Days of receiving the Simplified Prospectus, or Fund Facts, or to cancel your purchase within 48 hours of receiving confirmation of your order.

Securities legislation in some provinces and territories also allows you to cancel an agreement to buy units of mutual funds and get your money back, or to make a claim for damages, if the Simplified Prospectus, Fund Facts or financial statements misrepresent any facts about the mutual fund (the "Misrepresentation Right"). These rights must usually be exercised within certain time limits.

If you set up a Pre-Authorized Contribution Plan into your Fund, you will not have a Withdrawal Right for your purchases other than in respect of your initial purchase, unless you request to receive the most recent copy of the Fund Facts of your Series annually, but you will have a Misrepresentation Right whether or not you receive annually the most recent copy of that Fund Facts.

For more information, refer to the securities legislation of your province or territory, or consult your lawyer.
