RL-15 Slip: Amounts Allocated to the Members of a Partnership

Instructions for members of a partnership

Member that is a corporation or a trust

Use the information provided on the RL-15 slip to complete the *Déclaration de revenus des sociétés* (form CO-17) or the *Trust Income Tax Return* (form TP-646-V).

Member that is a partnership

Use the information provided on the RL-15 slip to draw up the partnership's financial statements.

Member who is an individual

Read the following instructions and, where applicable, enter the amounts from the RL-15 slip on the appropriate lines of the income tax return (or of the schedules of the return) that you are filing for the taxation year in which the partnership's fiscal period ended.

Box 1 Net Canadian and foreign business income (or loss)

If "0" or "1" is entered in box 40, enter this amount on line 29 of Schedule L.

If "2," "3," "4" or "5" is entered in box 40, enter this amount on the line corresponding to the code in box 38 (line 136 or line 154 of the income tax return, or line 22, 23, 24, 25 or 26 of Schedule L). However, any amounts entered in boxes 1-1 through 1-5 must be entered on the corresponding lines of the income tax return.

Additional information

Box 26 At-risk amount

Box 27 Limited partnership loss

This loss can be carried forward to any subsequent year in which your at-risk amount in the partnership exceeds certain amounts. The amount of the loss can be deducted, up to the excess amount, from your taxable income for the year in question.

Boxes 28 through 30 Canadian resource expenses

The amount in box 28 must be included in your cumulative Canadian exploration expenses after the amount in box 32 and the amount of assistance corresponding to the amount in box 28 (box 35[28]) are subtracted.

The amount in box 29 or box 30 must be included in your cumulative Canadian development expenses or your cumulative Canadian oil and gas property expenses, after the corresponding amount of assistance (box 35[29] or 35[30], as applicable) is subtracted.

You can claim a deduction on line 241 (if "0" or "1" is shown in box 40) or on line 250 of the income tax return. However, the deduction is limited to a percentage of your cumulative expenses at the end of the year: 100% of your Canadian exploration expenses; 30% of your Canadian development expenses; and 10% of your Canadian oil and gas property expenses.
