

What if we sold the house in the city and moved up here?

Good thinking, could we retire even earlier?

But, what's the tax implication?

What if, say the market drops?

Or what if we outlive our savings?

Let's get on a call with Maya at IG.

Of course, these are complex questions.

We can explore your different scenarios in your personalized

IG Living Plan.

Now we're really getting to see how this plan adapts

to life's changes.

Find out what a real financial plan looks like.

IG Wealth Management,

A plan for living.
